Video & Photography Packages

Wedding Photography and videography is a complete art in itself and we truly believe photos and video captures the emotions and excitement like no other media. Embrace the day, all over again, and you'll be surprised at how many things you didn't remember or were not around to see on your wedding day.

Your wedding photos and video on DVD will be edited in a timeless presentation with subtle transitions to give it a Personal touch. Our video style is displayed in a cinematic approach, by utilizing documentary and artistic angles to create a unique remembrance of your wedding day. Our videos are shot in HD. We also utilize Glide cam stabilization equipment for ultra smooth video on the go.

Video

- Professional Video Cameras
- Professional Lighting, gels and Diffusers
- Support Systems like Dolly Jibs and Tripods
- Reflectors
- Filming Van

Package

- Edited DVD's with interviews well packaged
- Raw DVD's and VHS tape provided for the full occasion

When it comes to capturing wedding moments our photographers are versed in all aspects of photography including photojournalism, formal, and fine art photography. Blending these art forms will provide you with a complete representation of your wedding day.

Our photographers are extremely unobtrusive, allowing you to enjoy your ceremony and reception without interruption. Our graphic design team will work with you to create the perfect wedding album.

Sabali Media is familiar with most photo session sites, which creates a stress free atmosphere allowing for unique formals and creative photojournalistic shots we recommend you start your planning with us so that we acquire the best location as a team.
